Overkill LAN Party 7.0 is right around the corner and because it is during Week of Welcome at USF we are expecting our largest crowd ever. So register early to guarantee your spot and to help us get sponsors.

Overkill 7.0 will be Friday August 28 6pm - 3am on Saturday.

Overkill is completely free for all college students with valid ID. We have gamers coming from USF, UCF, HCC, Full Sail, and many other schools.

The 75 Seat BYOC is now FULL!

We have set up a overflow list to see how many more people are interested in getting a seat.

We are in the process of buying supplies to expand to 84 seats.

People on the waitlist will be the first in line to get these new seats.

Canned Food Drive (Optional)

Overkill would like to do our little part to give back to the community. We would like everyone to bring 1 non perishable food item with them to the LAN. With such a large crowd, we could really help fill up the local food pantry's closet! Be a

part of something bigger with the gaming community.

Current game list is: Left 4 Dead, Team Fortress 2, CS:Source, Rock Band 2, Super Smash Bros., Mario Kart, Street Fighter 4, Halo 3, Peggle: WOW edition. If we get enough requests we will add another game. Let us know in the forums.
