Thanks to everyone who came out for our LAN Party! We had over 260 people stop by total and had over 75 computers in the BYOC. I hope every one had a great experience. We will be posting pictures from the event soon.

Please thank our sponsors too. Our Gold sponsors- Vocelli Pizza for giving us a great deal on a 100 pizzas and prizes like gift certificates for free pizza, CPU Magazine for giving everyone a free 6 month subscription, Popcap for giving every one a sweet coupon and for a bunch of gift certificates as prizes and CustomGamer.com for sponsoring the Streetfighter 4 Tournament. Our Silver sponsors-Trendnet For sending us prizes and swag and Crucial Memory for sending us some ram and swag and our Bronze sponsor Bawls Guarana for sending us some of their Energy Drinks.

Finally I would like to thank our Staff who spent time all summer planning the event- Rahul, Cj, Dave, Molly, Stephen, Vogie, and Matt S. and all of the volunteers who helped setup/checkin/serve food/tear down - Matt O, Sarah, Scott, Rick, Ian, Jacob, Jerimy, Kristin, Magic Matt, Micah, David. This list is massivly incomplete; there were many more people who helped so message me and I'll add you to the list.

We are already working on making plans for our next event. Stay tuned!
